SUMMARY

Detail-oriented and adaptable **Full-Stack Web Developer** with a strong background in **national security**. Experienced in **problem-solving under pressure, critical thinking, and structured decision-making**, with a proven ability to learn quickly and operate efficiently in fast-paced environments. Bringing a **unique blend of technical expertise and leadership**, with a track record of **clear communication, teamwork, and adaptability**. Passionate about building innovative applications and continuously expanding knowledge in modern web technologies.

EXPERIENCE

Police Officer

Israel Police

August 2021 – July 2024, Rosh Ha'Ayin, Israel

- Recruited as a **Shoham Cadet**, a selective program for outstanding academy graduates, designed to fast-track candidates into **command positions** through **intensive training and field experience**.
- Required **self-learning and quick adaptation in the field, on the go**.
- Responded to a wide range of **emergency calls** and handled **complex situations** in the field.
- Developed **strong communication and conflict resolution skills** through interactions with diverse populations.
- Gained valuable experience in **de-escalation, mediation, and working within legal protocols**.
- Made **quick decisions under pressure** while maintaining a calm and professional approach.

Security Officer

Team-3 | CanBreed

February 2021 – June 2021, Hod Ha'Sharon, Israel

- Established and implemented security protocols for a newly launched **cannabis production and research facility**.
- Served as part of an elite security team, safeguarding high-value assets in a restricted-access environment.
- Provided **strategic guidance and security solutions** to adapt and refine security measures for a facility in its early operational stages.
- Completed specialized training that required **physical fitness, self-discipline, adaptability, and the ability to learn quickly in a high-risk setting**.

Security Officer

National Insurance Institute of Israel

December 2017 – July 2018, Petah Tikvah, Israel

- Provided armed security services at the National Insurance Institute, ensuring the safety of government personnel and visitors.
- Maintained a professional, alert, and authoritative presence in a high-security environment.
- Underwent rigorous training and periodic drills requiring **strategic thinking, risk assessment, quick decision-making, and composure under pressure**.
- Developed strong situational awareness and crisis management skills in a government setting.

Military Service

Israel Defense Forces

November 2014 – November 2017, Jordan Valley, Israel

- Served as a combat soldier in the Border Protection Corps, completing training at **rifle level 07**.
- Demonstrated high **motivation, discipline, and the ability to function under pressure**.
- **Promoted to a command position despite having no prior experience**, taking on new challenges and responsibilities.
- Completed service with an **honorable discharge** and a **commendable rating**, reflecting dedication and commitment.
